Time: 10.30 am - 1.30 pm

Workshop Outline: This workshop introduces the participant to the theory and technique of joint and soft tissue injections such as knee, shoulder, and wrist injections. In addition, soft tissue injections are covered. Mannequins/models shall be used to give hands on experience.

### 3. **Clinical Decision Making Workshop**

Faculty: **Gp Capt Shankar Subramanian**, **Gp Capt Ajay Handa**, **Wg Cdr TVSVGK Tilak**

Time: 11.00 am - 2.00 pm

Workshop Outline: Clinical decision making is the skill that physicians use to understand a patient's complaints and then to identify a short, prioritized list of possible diagnoses that could account for those complaints. This differential diagnosis then drives the choice of diagnostic tests and possible treatments. This workshop will take you through the journey of the unique amalgamation of art, science and statistics and show you how you can improve your Clinical Decision Making skills.

These workshops are open only to delegates registered for APICON 2018. Prior registration is mandatory. No Spot registrations are allowed. Workshops will be held at Dr. Babu Rajendra Prasad International Convention Centre, GKVK-University of Agricultural Sciences, Bengaluru, Karnataka on 22 February 2018. Halls will be intimated at the venue.
