Tentative Scientific Programme (APICON-2013)

DAY 2 • 2ND FEBRUARY, 2013 • HALL “F2” • THOLKAPPIYAR HALL • POSTER PRESENTATION

9:00 – 1.00  Gastroenterology, Rheumatology and Haematology-Oncology (15+36+46=97)
Guided Tour R Rajesh Upadhyay, New Delhi, Ved Chaturvedi, New Delhi, Velu Nair, Pune will guide, explain and Teach

1.00 – 2.00  Lunch

2.00 – 5.00  Neurology and Nephrology (70+30=100)
Guided Tour AV Srinivasan, Chennai, K Srinivasan, Madurai will guide, explain and Teach

DR. M VISWANATHAN POSTER SESSION

Gastroenterology

1. Causes of Dyspepsia as evaluated by UGI endoscopy supplemented with antral biopsy and rapid urease test. Geetika Garg
2. Study on association of serum uric acid level with chronic liver disease (CLD) from eastern India. Choudhury P S
3. A clinical study of acute pancreatitis with special reference to Modified Glasgow score. Vivek Vilas Manade
5. Clinical predictors of bleeding from esophageal varices. T P Manohar
6. “Some observations on renal dysfunction in patients of cirrhosis of liver with special reference to hepatorenal syndrome”. Purushottam Singh Yadav
7. Some observations on bone mineral density and its correlation in patients with chronic liver disease. Ganesh Seth
8. A case of Cruveihier Baumgarten syndrome. Sreejitha KS
9. To study the diagnosis, effect of treatment and follow up of patients with HCV infection. Bansal N
10. Evaluation of treatment with carvedilol in comparison to propranolol and Rosuvastatin combination in primary prophylaxis of Gastroesophageal Variceal bleeding. R Singh
11. A study of Mortality and morbidity in acute pancreatitis with special reference to systemic inflammatory response syndrome (SIRS). Borkakoty A
12. A study of clinical and endoscopic profile of patients with Acute Upper Gastrointestinal bleeding. KR Dewan
13. Jaundice evaluation in medical wards, study in a rural medical college hospital in South India. Anil Kumar Mannava
14. Study of altered coagulation in alcoholic cirrhosis. Tandeker S
15. Clinical profile of patients with vitamin B12 deficiency and its relation to H pylori infection. Rajiv EN

Rheumatology and Immunology

1. Carotidynia in Takayasu disease. V Ramkumar
2. Unusual case of joint pain. Biswadev Basu Majumdar
3. SLE with Vitiligo in male with atypical presentation. K S Moinuddin
4. A case of SLE presenting with psychosis. M A Raheem
5. A study of microalbuminuria in Rheumatoid Arthritis. Bhuvan Shetty
6. Study to assess the prevalence of hypovitaminosis D in patients of Rheumatoid Arthritis. (Major) Vivek Sood
7. Severe Hypercalcemia with acute renal failure: an unusual presentation of Sarcoidosis. Sunita Aggarwal
8. Utility of Antinuclear Antibody(ANA) assay by Enzyme Linked Immunosorbant Assay(ELISA) and Immunofluorescence(IFA) in non specific rheumatic complaints. S Thanh
9. TH1/TH2 Profile in patients suffering with osteoarthritis and rheumatoid arthritis: an analytical observational study. Singh Y
10. To study the level of oxidizes LDL in patients of Rheumatoid Arthritis and to correlate it with Carotid Intima Medial Thickening. Sharma SK
11. Spondyloepiphysial dysplasia tarda. D’sa Shilpa Reynal
12. Extra glandular manifestations in Primary Sjogren Syndrome. D’sa Shilpa Reynal
13. A clinical study of spondyloarthropathies. A Mahanta
14. Serum Uric Acid level at diagnosis in patients suffering from Rheumatoid Arthritis. Does it change with change in disease activity?. Debasish Baidya
Clinical profile of patients with Takayasu arthritis. Navile Aditya Murali

A case Systemic Lupus Erythematosus with Erythema Multiforme like lesions(?) Rowell's Syndrome. Owais Maskati

Reiters syndrome in PLHA: Case series of 9 patients. Bajad S

Study of assessment of Atherosclerosis by carotid intimomedial thickness in patients with Rheumatoid Arthritis and their correlation with severity of disease. LA Gauri

Molecular mimicry in human disease - phenomena or epiphenomena?. Pradyumna M Gadewar

Retinal Vasculitis with rapidly progressive glomerulonephritis in systemic lupus erythematosus (SLE). Leena Elizabeth Mathew

Rheumatoid Interstitial lung disease presenting as cor pulmonale. Leny Thomas Mathew

Interstitial lung disease in systemic sclerosis (SSc). Leny Thomas Mathew

Rheumatic heart disease and Takayasu Arteritis: A rare Combination. B Sujeeth Reddy

Spreading systemic vasculitis - A case report. Suresh S R

Comparison between the clinical profile, ANA pattern and antinuclear antigens of disease with ANA positivity. Mary George K

A study of serum and synovial fluid anti-CCP and IgA rheumatoid factor in Rheumatoid Arthritis. Naheed Darakhshan

Reversible posterior leukoencephalopathy syndrome in case of adult onset Still's disease with concurrent thrombotic thrombocytopenic purpura - response to high dose immunoglobulin. Makhija J

Gouty Arthritis secondary to G6PD Deficiency. Abhishek Saini

A study of prevalence and evaluation of hand osearthritis. Manish Gupta

A case of dilated cardiac myopathy in a known case of mixed connective tissue disorder. D Harika

SLE presenting as DLE. LL Dhivya

A case of Takayasu Artheritis with Aortic Regurgitation. SE Bharanidharan

An interesting presentation of SLE. Anajney Yadur

Three patients of Systemic Lupus Erythematosus. RT Bose

Rare cause of leucocytoclastic vasculitis. Vora C

Anti phospholipid syndrome presenting as subclavian artery thrombosis. M Vasuki

Hemato-Oncology

A rare case of polycythemia vera presenting with stroke and ARF. Prabhat Kumar

An intriguing case of carcinoma of unknown primary presenting as deep vein thrombosis, superior vena cava syndrome and recurrent stroke. Soumik Ghosh

Effects of botropase on clotting factors in healthy human volunteers. Chowta MN

Rare manifestation of neomercazole induced agranulocytopenia. Pathak A

Imatinib induced spontaneous intramuscular haemorrhage. Mohammed Meeran A

A study of clinical and hematological profile of anaemia in women of reproductive age. Chahal NK

A case of myeloproliferative neoplasm associated with mid cavity HOCM. Kundan V Patil

Bronchogenic carcinoma presenting as neurological manifestation. B Mohammed Noufal

Clinical and flowcytometric analysis of adults leukemias. Vinusha Reddy B

A rare case of hepatocellular carcinoma in a young female. Bhagat S

Congenital hypofibrinogenemia- a diagnostic challenge. AP Mohanty

A study of anemia in elderly. Chetia R

Solitary intracavitary cardiac metastasis. Subhadeep Banerjee

A rare case of fever with hepatosplenomegaly. S Pradhan

Hepato-splenic T cell lymphoma A case report. Srvan Kumar A

Acute spontaneous spinal epidural hematoma causing paraplegia in patient with immune thrombocytopenia. Murali Krishna M

Myeloid neoplasm with eosinophilia associated with rearrangements of PDGFRα (Platelet derived growth factor alpha), presenting as radiculopathy. Suneel Kumar B

Clinico-pathological study of multiple myeloma at a tertiary care centre in South India. Menezes S

RVOT obstruction secondary to anaplastic CA thyroid. M Sudhakar Rao

Diffuse large B cell lymphoma(NHL)- a rare presentation as multiple cutaneous swellings. Dhaval R Choksi

A young case of fibrocalkulus chronic pancreatitis later presented with primary pancreatic carcinoma metastatic adenocarcinoma of liver and
22 Clinical profile of hemolytic anemias in adults-a hospital based study. Sravan K Reddy
23 Pathologists’ dilemma, physicians delight. Acute monoblastic leukemia (AML-M5) presenting as generalized lymphadenopathy. Dsouza DS
24 Study of anemia in elderly patients with special reference to serum iron profile, Vit B 12 and folic acid levels. Ghogre R
25 A case of pure red cell aplasia. Owais Maskati
26 Acute lymphoblastic leukemia presenting as Guillain-Barre Syndrome a rare occurrence. Shreepriya Mangalgi
27 Methemoglobinemia- a rare cause of cyanosis in adult. Chakravarthy DJK
28 A rare case of a life-threatening disorder-macrophage activation syndrome. Mohan A
29 Patient of multiple myeloma presenting with an acute respiratory distress syndrome due to secondaries in lung parenchyma. Pradyumma M Gadewar
30 A rare case of factor 13 deficiency presenting as intracerebral hemorrhage in an adult. Sri Ramulu K
31 Red cell distribution width and mortality in newly hospitalised patients. B Sujeeth Reddy
32 Hepatic cellular carcinoma(HCC) with metastasis in brain-a case report. Chirag D
33 Estimating the prevalence of vitamin B 12 deficiency in vegetarian patients presenting to the outpatient department. Sathyendra S
34 Common presentation of an uncommon disorder (alpha-thalassemia HbH). Ranjum Chaudhary
36 A rare cause of pancytopenia. Sreevidhya KR
37 Bilateral internal jugular vein thrombosis in oesophageal carcinoma. Kiruthika Kesavan
38 A rare case of multiple myeloma. L Mahendra Varman
39 A case of hereditary spherocytosis. G Gowthami
40 Dose intensification of Daunorubicin from 45mg/m²/day to 60mg/m²/day in induction chemotherapy for acute myeloid leukemia: an experience from tertiary care centre. Suman Kumar
41 Methotrexate induced pancytopenia. A Prabhu
42 A rare cause of leg ulcer. Jeeseemon Jose
43 A case of Caput medusa. G Elumalai
44 A case of familial anaemia. G Elumalai
45 Etiology and clinical profile of pancytopenia in a tertiary care hospital. K Varun
46 Magaloblastic Anemia : Clinico - Aetiological profile in north Indian population. Praphull Deepankar

**Neurology**

1 A case of lateral medullary syndrome with atypical features. Raghavendra Bhat
2 Cortical Venous thrombosis in a male patient caused by protent C deficiency. K Sankar
3 A rare cause of Young stroke. P Sponsenthilkumar
4 CNS Toxoplasmosis with neuro cognitive dysfunction in a PLHA. Ramalingam P K
5 Tuberous sclerosis. Madhumanti Panja
6 Toxic Intracerebral Dimyelination in cypermethrin poisoning. Biswadev Basu Majumdar
7 Clinical profile and complications of meningitis. Patil R S
8 A clinicopathological study of Japanese Encephalitis. Agarwala P
9 Study of clinical profile and relation between blood pressure and neurological outcome in acute ischemic stroke. Patil AS
10 A 14 year old boy with generalized muscle twitching cramp and continuous muscle fibre activity. Shaik Vahida
11 A case of Seizure disorder. MM Murali Krishna
12 Secondary effects of brain shift syndrome. Renu R
13 Respiratory muscle myasthenia a non-cardiac cause of orthopnoea. John Paul
14 Proteins deficiency - an uncommon cause of superior sagittal vein thrombosis. Anand V Kulkarni
15 A rare presentation of pregnancy with CVT (Cerebral venous thrombosis). D Harinath Reddy
16 Hashimoto Encephalopathy - A case report. Tiwari D
17 An interesting case of proximal muscle weakness. M I Abhilash
18 Acute necrotizing encephalopathy in adult patients. Roy D

Nephrology

1. Rifle score for acute kidney injury in elderly. Nishanth KR
2. Comparative study of incidence and outcome of sepsis and non sepsis related acute kidney injury (AKI) in critically ill patients. PS Gore
3. A rare case of ANA-negative biopsy proven Lupus Nephritis. Sindhu K
5. Role of Doxycycline (matrix metalloproteinase inhibitor) in decreasing proteinuria in diabetic nephropathy. H K Aggarwal
7. ABG alteration in patients of chronic renal failure before and after haemodialysis. Priya Chaudhary
10. Acute renal failure in elderly-study from a rural medical college hospital in South India. Ujjawal K
11. Bartter's syndrome. Srujana A
15. Hypoalbuminemia- a marker of echocardiographic abnormalities in patients with chronic kidney disease. Vineet Behera
17. To evaluate microalbuminuria as an integrated marker of subclinical end organ damage in primary hypertension. Umamaheshwar KL
18. Estimation of carotid intima media thickness and cardiovascular changes in chronic kidney disease with reference to inflammatory markers. Tiwari RK
19. Serum cystatin C as a marker for early detection of renal dysfunction in type 2 diabetes mellitus. Abhinay Tibdewal
20. Slow and bizarre track…almost fatal hyperkalemia. Manoj Gupta
24. Hypokalemic periodicopic paralysis in Scleroderma secondary to renal tubular acidosis. Srikanth Prasad
25. "Deadly Duo" - Crescentic glomerulonephritis with Anti GBM antibody and P - Anca positive. Srinivas M
26. Massive Haematuria due to renal arteriovenous malformation successfully treated with embolisation in an elderly. Pallav Thakare
27. Serum Cystatin C levels as a marker of acute renal failure in critically ill patients. Donagaon SS
28. A cross sectional study to know the profile of patients with acute interstitial nephropathy. Kamat Amit
29. Cerebral infarction in nephrotic syndrome. Eshwarappa P
