Message From President

Dear Friends.
Greetings!

I am truly overwhelmed by incredible response received for the various programs including the very 1st API President – State Chairman/Secretary meet held at Kolkata. Such enthusiasm and dedicated efforts among our States and National team have lifted API to a whole new level.

Various special days including World Hypertension Day, World Hepatitis Day and International Yoga Day were celebrated with great enthusiasm across the country. This has boosted us to take up more such challenges, and to make our organisation the very best.

API has launched various new initiatives and is geared up to go digital, including dedicated websites for all states to showcase their achievements.

The new PRF website now features a Journal Club where various international and state journals have been showcased. This will be a great resource of knowledge for our members.

In these recent months, our members have participated in all activities in large numbers, giving back to the society at large. I am hopeful that all API members will come forward with the same zeal and passion in our future ventures

Long Live API !

Dr. Jyotirmoy Pal

President, API

Message From Dean

Dear Friends,
Greetings!

It gives me great pleasure to welcome all API brothers and sisters across the country through this second issue of the API-ICP-PRF Newsletter. I extend my best wishes to each of you as we continue this important journey together

I congratulate Dr. Jyotirmoy Pal, President of API, for his vision in initiating this platform. With this second issue, our continuing efforts are reflected in bringing forward the academic, clinical, and educational activities of API and ICP, while also offering ICP fellows a space to share their contributions.

I am confident that this newsletter will remain a valuable medium for the exchange of ideas, knowledge, and skills, and will grow stronger with each issue.

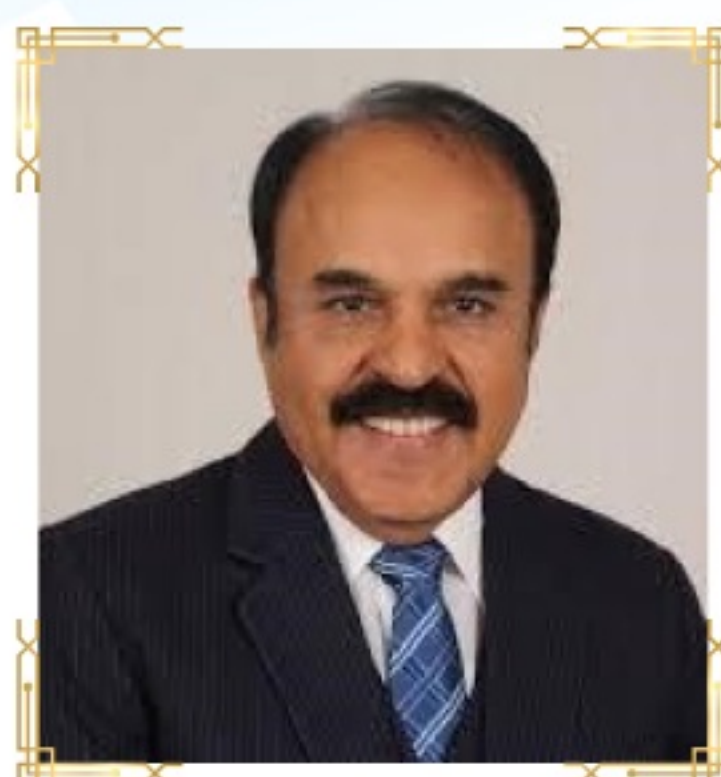

Achieving better healthcare, one patient at a time.

With best wishes,

Dr. Kamlesh Tewary

Dean, ICP

Message From Director

Dear Friends,
Greetings!

On behalf of the Physicians Research Foundation (PRF), I am pleased to extend our warmest felicitations and sincere appreciation to the entire team behind the Newsletter.

Your unwavering dedication to delivering accurate, timely, and insightful information is truly commendable. The newsletter has all the qualities to become a trusted reference for medical professionals, researchers, and the wider community. We deeply value the hard work, expertise, and passion that go into every issue. The team's commitment to excellence not only strengthens our understanding of diverse topics but also serves as an inspiration to pursue meaningful research activities.

As you continue to scale new heights, we wish you every success. May the Newsletter remain a beacon of reliable knowledge, and may your team continue to grow, inspire, and thrive. Please accept our heartfelt appreciation and best wishes for all your future endeavours.

Dr. A Muruganathan

Director, PRF

Message From General Secretary

Dear API Members,

It gives me immense pride and joy to unveil the second API Newsletter — a landmark initiative envisioned under the dynamic leadership of our President, Dr. Jyotirmoy Pal. This newsletter is designed to be much more than a publication; it will be a living platform for knowledge exchange, collaboration, and meaningful engagement across our community.

I extend my heartfelt gratitude to our dedicated Newsletter Committee Members— *Dr. Nandini Chatterjee, Dr. Rakesh Bhadade, Dr. Sangram Biradar, Dr. Shambo Samajdar, Dr. Anupam Prakash, Dr. Ashutosh Chaturvedi, Dr. S.V. Kulkarni, Dr. Amit Das, and Dr. N.P. Singh* — whose tireless efforts and valuable contributions have transformed this vision into reality. The API Newsletter is serving as the face and voice of our association, bringing you closer to the inspiring activities of our State Chapters and City Branches, highlighting important announcements, and keeping you updated on key initiatives from the API Headquarters.

Adding to the excitement, we are introducing a Special Discounted Membership Drive! This is the perfect time to invite your colleagues, peers, and students to join API and become part of our vibrant, ever-expanding family.

With your active participation and feedback, I am confident this initiative will grow into a powerful channel of communication, learning, and pride for all members of API.

Let us move forward together in strengthening the spirit of API.

Physicians Research Foundation

Research Wing Of Association of Physicians of India

Message From the PRF Director

Dr. A. Muruganathan

I'm honoured to address you as the newly elected Director of the Physicians Research Foundation (PRF). I'd like to express my gratitude for the trust you've placed in me.

Recently, at APICON in Kolkata, we launched a book on research methodology titled "Research Made Easy" and distributed it to all delegates. We also held a separate PRF session to discuss various research activities, papers, and programs. I had the privilege of delivering the Director's Oration.

During the event, we presented the first Shri Arumugam Research Foundation Award to Dr. Anjana. I also distributed ties with the PRF logo to the governing council members.
